DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on February 29, 2008 is not fully responsive to the prior Office action because of the following omission(s) or matter(s): an election from group B does not satisfy the requirement for an election of a species as required by the Office action of August 10, 2007. In order to be fully compliant with the election of species requirement, as stated on page 2, lines 7 and 9 of the prior Office action, applicants must also elect a specific species (unless stated otherwise) from each grouping also stated on page 2 (i.e., groups A and C). For example, group A requires a specific SEQ ID NO: of claim 3. The applicants are notified that any claims not reading on the elected invention/species will be withdrawn from consideration. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
